Welcome to RIHO

At RIHO, everything is about experience in the bathroom. With almost 40 years of experience, we pride ourselves on our craftsmanship and passion for quality and contemporary sanitaryware. From elegant bathtubs and whirlpools to stylish showers and furniture, every product is designed with an eye for detail, comfort and ease of use.

New this season: Spring-UP and Isola Pebble Grey!

We are proud to present our latest innovations. **Spring-UP** takes bathroom furniture to the next level. Even more stylish, even more versatile and perfectly attuned to the latest interior design trends. With an extensive choice of washbasins, wood textures, paint colors and trendy shades, you can effortlessly put together your ideal bathroom - whether you go for sleek and modern or warm and natural.

RIHO is expanding the **Isola** shower floor collection with the elegant color **Pebble Grey**. This new pebble gray shade exudes tranquility and sophistication. The subtle slate texture offers not only timeless design but also excellent non-slip safety. Suitable for recessed or surface-mounted installation and available in various sizes - perfect for a serene, modern walk-in shower.

In addition, we would like to take you back through some of last year's successful products - such as the serene **Catching Waves** bath collection, the elegant **Define** shower walls and the versatile acrylic bath **Phatos**.

Discover our world of bathrooms

Whether you are looking for a striking design element or just a practical solution with class, at RIHO you will find products that will take your bathroom project to the next level.

Your style, Your bathroom

RIHO Solid surface products have a timeless design thanks to the clean design and pure look.

Solid surface is a very strong and pore-free material, which makes it durable and easy to maintain. It is therefore ideally suited for bathtubs, showers, washbasins and sinks, making it a wise long-term choice.

In the RIHO range you will also find matching sinks, washbasins and a shower floor.

Why RIHO's Solid Surface?

- ✓ Easy to maintain
- ✓ Durable material
- ✓ High-end design, beautiful shapes and clean lines
- ✓ Our solid baths collection is completely in-house design and produced from our own molds
- ✓ Matching washbasins, shower floor and accessories
- ✓ Trendsetter in design and comfort

Solid Frosted

Transparent, yet soft and
concealing at the same time

Are you looking for something more special than a white bathtub? Do you want a real eye-catcher in the bathroom? Then discover our new Solid Frosted semi-transparent freestanding baths Oval, Oviedo and Toledo! Available in two colors: Frosted Smoke and Frosted Umber. The exterior receives a special treatment that gives the bath a frosted matte appearance.

Because we want this transparent bathtub to be fully appreciated come and do not want to disturb the appearance, there is no overflow provided. Instead, the bathtub is equipped with a clic-clac that operates on water pressure. That is, when the bathtub fills to a certain height, the clic-clac opens and floods prevents. An innovative gadget in baths!

Freestanding acrylic baths

Your style, your bathroom

A freestanding bathtub gives your bathroom an instant upgrade. The room is given a luxurious feel thanks to its chic look. In addition, a freestanding bathtub offers you numerous options because you can put these anywhere.

Is a fully freestanding bathtub still not possible? Then choose a semi-detached version, this means you need less space and still retain the practical features of a freestanding bath. Win-win!

Phatos

Luxury for any bathroom

The new Phatos acrylic bath offers a combination of style and functionality. This beautiful bath is available in several colors: high-gloss white, matte white and Stone Grey, with Stone Grey being a beautiful pebble gray shade.

The new gray color adds a touch of luxury to the space, while the acrylic material ensures durability and easy maintenance.

Available in three different versions, Phatos offers a solution for every bathroom: Phatos Free, Back2Wall and Corner left and right. All models have a generous length of 170 x 80 cm, giving you plenty of room to relax and unwind.

With its clean lines and sophisticated colors, the Phatos acrylic bathtub is a perfect addition to any bathroom. The different color options and finishes make the bathtub suitable for any bathroom style, from minimalist to chic.

RIHO Fall

Tub filler with overflow

RIHO offers the RIHO Fall with many acrylic baths: a bath filler through the overflow. The RIHO Fall is stylishly incorporated in the bath wall and fits perfectly in every bathroom. For operation you use a built-in faucet that you can choose to your own taste. The bath filler comes standard in chrome. Optionally, other colors are also available.

Sparkle Mood

Refreshing bubbles with relaxing music

A (semi) freestanding bathtub with refreshing bubbles? From now on it is possible! For some freestanding and back-2-wall baths we present Sparkle Mood. A system with a whisper quiet air pump for 16 sparkle jets. User-friendly full-flat controls on the bath rim and LED color therapy are part of the experience. And B-Music completes your relaxing bathing moment because your bath plays your favorite music via built-in Bluetooth speakers.

Bath: Modesty Sparkle Mood

Recessed baths

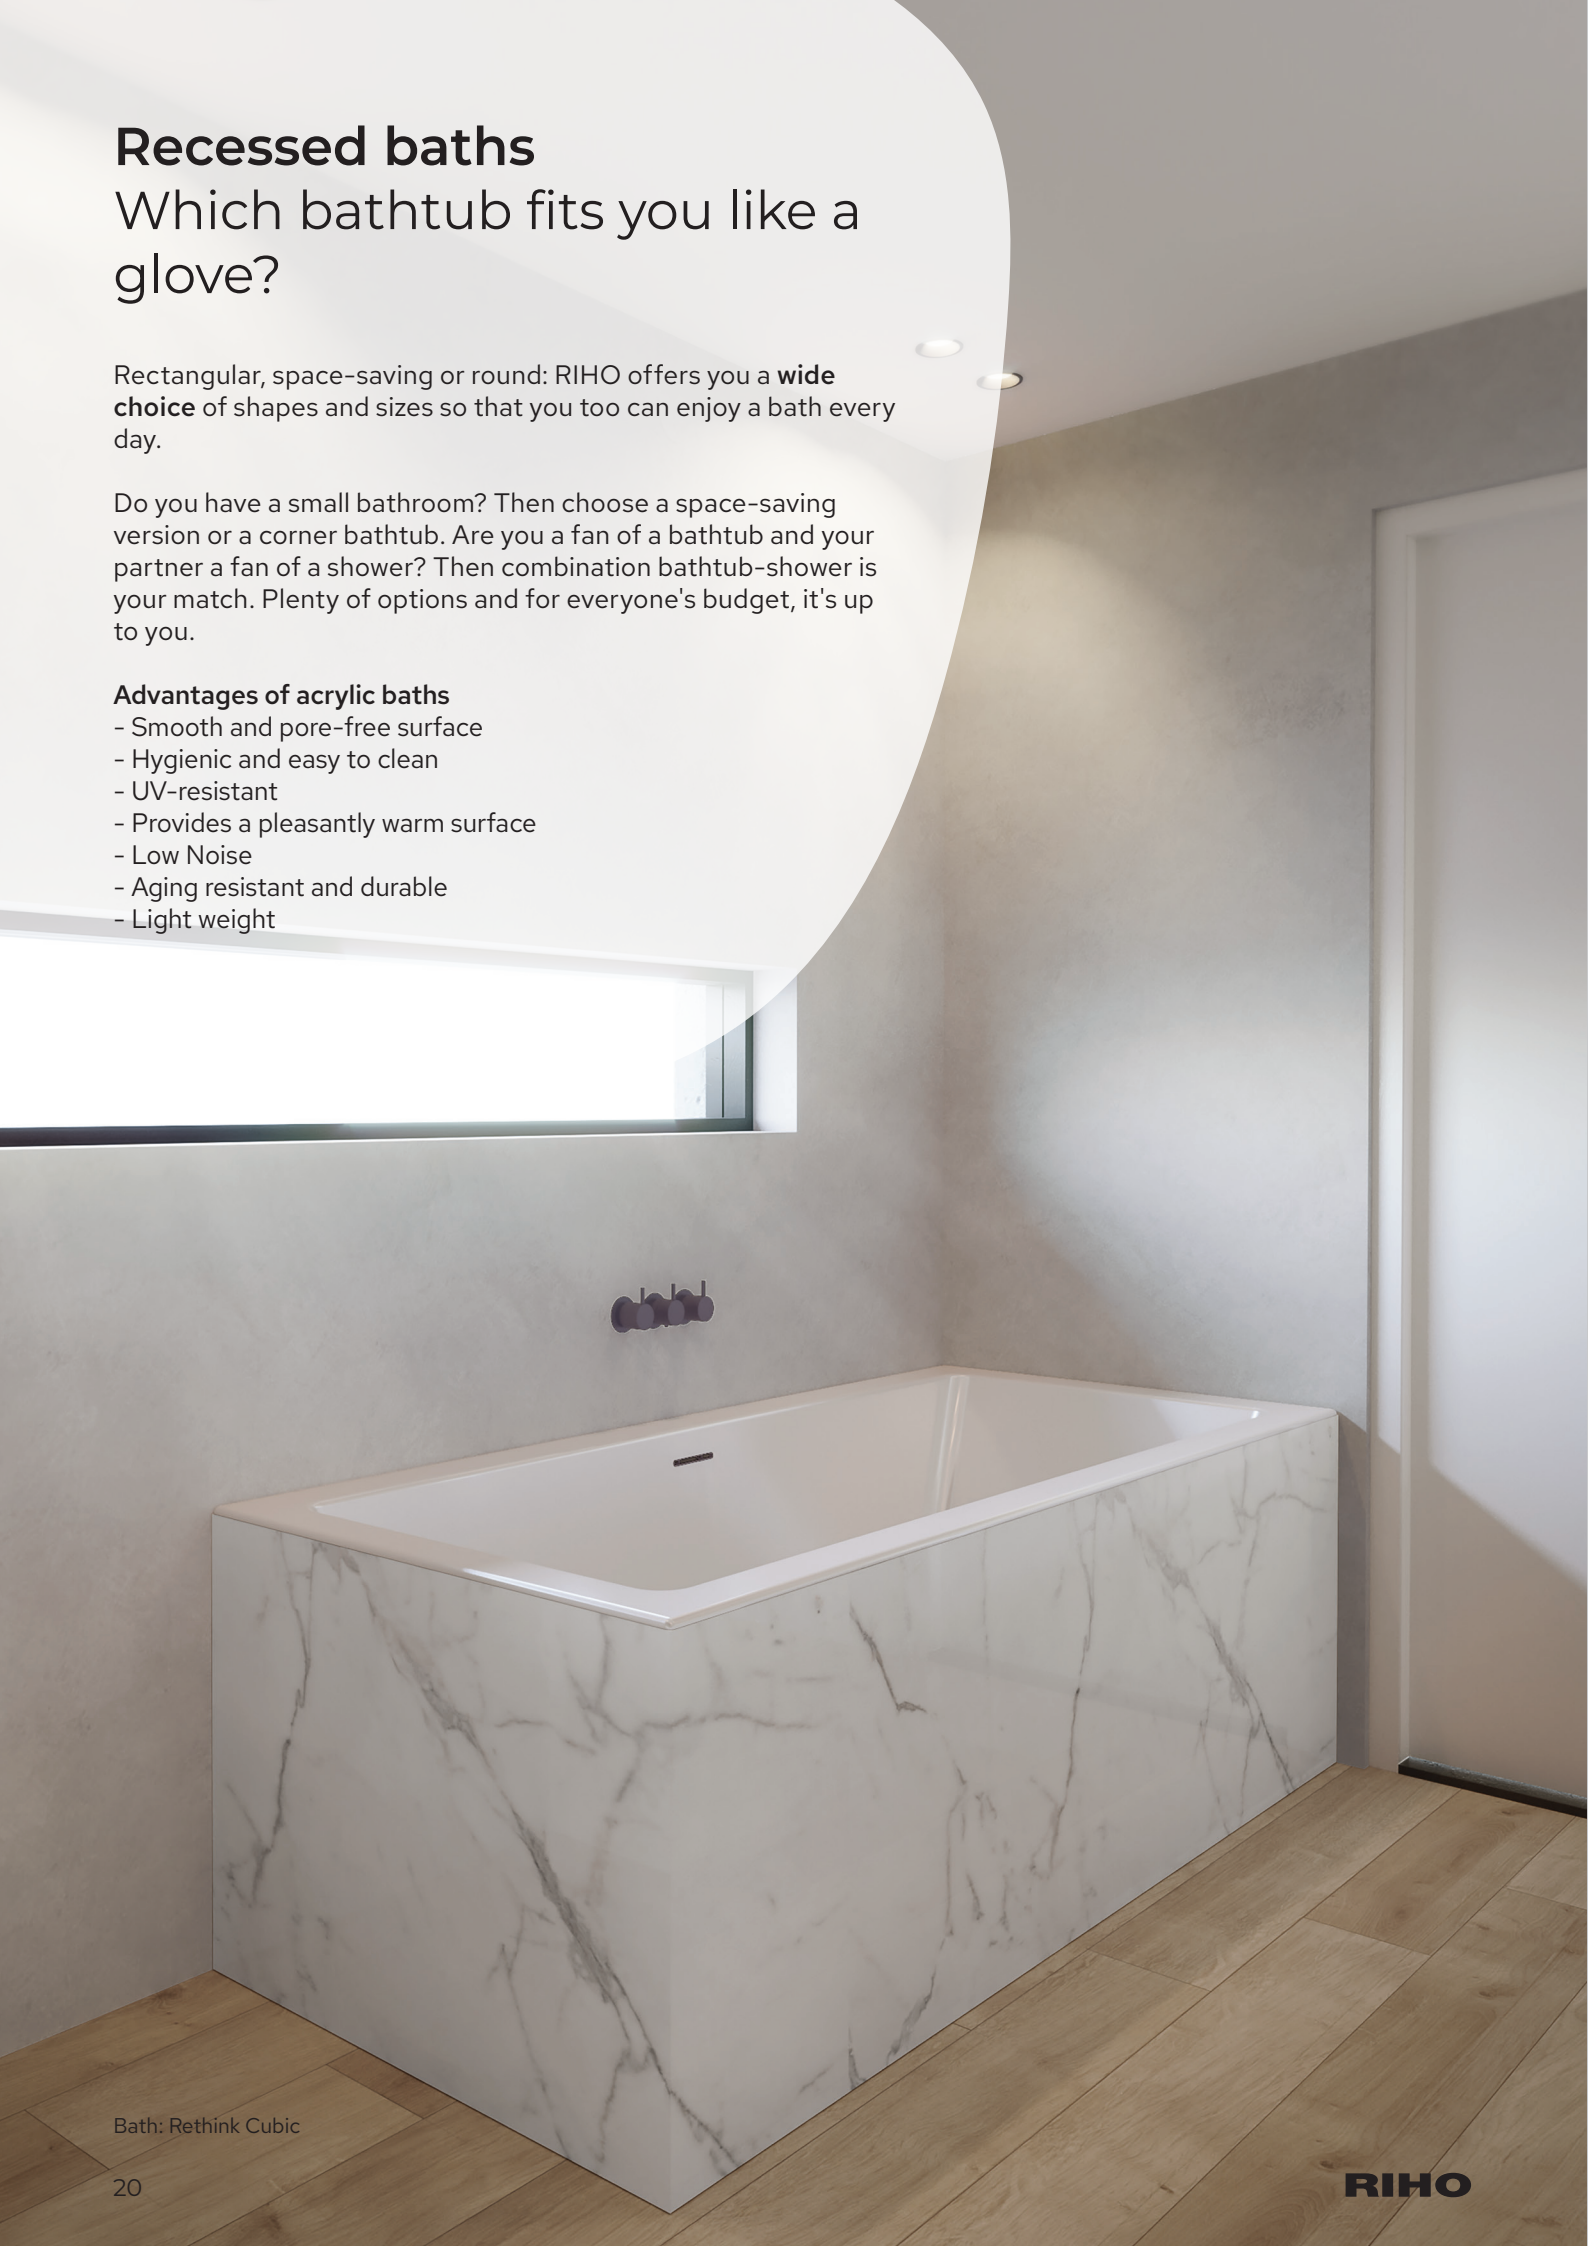

Which bathtub fits you like a glove?

Rectangular, space-saving or round: RIHO offers you a **wide choice** of shapes and sizes so that you too can enjoy a bath every day.

Do you have a small bathroom? Then choose a space-saving version or a corner bathtub. Are you a fan of a bathtub and your partner a fan of a shower? Then combination bathtub-shower is your match. Plenty of options and for everyone's budget, it's up to you.
